Remembering ...
Mark Cox

In the spring of our sophomore ,the class of 1996 lost a dear friend. Mark Cox ended his life just short of his twentieth birthday, having spent the majority of the second semester away from the campus and the people he loved so dearly. Many members of our class and the College community were greatly saddened and profoundlly affected by his death. While we can never forget the tragedy of Mark's passing, our pain has often been eased by enjoying our years at Hamilton as he would have wanted.

Mark was connected to many members of our commmunity through his work as a peer counselor, his dedication to the lacrosse team, and his ties to the Brothers of Delta Kappe Epsilon. But these were merely Mark's affiliations, and did not wholly define him. Rather, these, and any number of organizations to which he contributed his time, allowed us the privilege of knowing him and gave him venues through which he could express his dedication to Hamilton and his friend. What did define Mark was his unfaltering friendship and love for those of us he left behind.

Mark left us far too soon. Perhaps most disturbing is that he left seemingly unaware of how many lives he'd affected and how dear he was to so many of us. The bittersweet memory of awkward dancing, dorky jokes, and incessant mountain biking trips bring smiles to our faces and tear to our eyes. Often we have found ourselves wishing Mark was here to enjoy our triumphs or comfort us or laugh with us. For some of us, this thought will continue to cross our minds from time to time for the remainder of our lives. While it is difficult and painful to lose a friend, our memories of our first two years on the Hill will ensure that Mark is never truly lost to us. In commemorating his life, and acknowledging his death , we celebrate the Mark we knew and the Mark that would have been, knowing that he would be proud of us as we complete this chapter of our lives.

Theatre

In the tradition of Hamilton's theatre arts, students brought their talents to the stage for two major theatre productions this year.

The 1995 fall theatre production of *The Orestia* came to the stage of Minor Theater for eight performances during November. Visiting Professor Gerry Large adapted and directed *The Orestia*, the only Greek trilogy that has survived from antiquity. His contemporary adaptation of the play brought to life a story of vengeance and justice amongst the characters Agamemnon (Nat Faxon), Clytemnestra (Randi Glass), Aegisthus, Orestes (Gregory K. O'Connell), and Electra (D. Tracy Weller).

During the second two weeks of April, the theatre department debuted its production of *Leonce and Lena*. This comedy was written during the 19th century by Georg Buchner, a German scientist and dramatist. Assistant Professor of Theatre Adrian Giurgea translated and adapted the script for its performance on the Hamilton stage. *Leonce and Lena* is a romantic parody that tells the story of Prince Leonce (Adam Weiss) who is to be married against his will to Princess Lena (Randi Glass). By chance, the two meet and fall in love, neither knowing that they are to be wed.

The Hamilton College Orchestra

The Woodwind Ensemble

The Chamber Ensemble

Orchestra

This year's Orchestra was composed of a diverse group of Hamilton College students, faculty, area high school students, members of the Syracuse Symphony Orchestra, and two professional directors. During the fall term, the Orchestra was conducted by E. Michael Richards, Associate Professor of Music at Hamilton. Director Thomas Lloyd conducted the orchestra in the spring semester while Richards was on sabbatical leave.

The Orchestra's December concert included *Symphonie Fantastique* by Hector Berlioz, *Academic Festival Overture* by Johannes Brahms, and *Concerto in A Minor for Piano* by Edvard Grieg featuring Helen Shun Nga Lee on piano. Their performance of *"Sulla Tomba"* by Gaetano Donizetti was complemented by the beautiful vocal accompaniment of soprano Jane Kamp and tenor Thomas Lloyd.

The spring concert by the Orchestra involved a very powerful musical repertoire. The program included *New England Tryptich* by American composer William Schuman as well as *Rhapsody-Concerto for Viola and Orchestra* by Bohuslav Martinu. The orchestra also performed Antonin Dvorak's *Symphony No. 9 in E Minor*, "From the New World". These pieces highlighted the musical talents of student soloists Miki Kodama (percussion), Meredith Mascali (oboe), Sarah Cook (bassoon), and Julia Hallett (English horn).

The Hamilton arts calendar also featured concerts by the Brass choir directed by Stephen Bonta; the Woodwind Ensemble, directed by E. Michael Richards (fall) and Richard Decker (spring); the Chamber Ensemble directed by George Myers; and the Jazz Ensemble directed by Doctuh Mike Woods.

Dance

The Hamilton College Department of Theatre and Dance showcased the talents of dancers and choreographers in two major performances this year. After long hours of choreography design and rehearsal, student dancers and professionals shared the stage of Wellin Hall to present their creative accomplishments.

The first of these performances, the 1995 Fall Dance Concert, featured the choreography of guest artist Sue Cherry, a choreographer, teacher, and performer from Troy, New York. The fall program also included the piece *The entrance to..." The Golden City"* choreographed by Associate Professor of Dance Bruce Walczyk. The concert concluded with a performance of *The Birthday of the Infanta*, a ballet adapted from a story by Oscar Wilde. The ballet was choreographed by Associate Professor of Dance Leslie Norton and performed by a cast of over thirty Hamilton dance students and faculty.

The stage of Wellin Hall was the setting for another dance concert during the spring semester of 1996. For two nights in late February, dance students and professionals shared the creativity and expression of their art. The Spring Dance Concert consisted of pieces ranging from traditional to modern. *Pas de SIX* was choreographed in 1842 by August Bournanville for the Royal Danish Ballet. The program also included the works of guest artists Megan Klar ('93), Nancy Long, and Tsehaya D. Smith.

The College Choir

The Hamilton College and Communtiy Oratorio Society

Jane Kamp and
Director Thomas Lloyd

Choir

Under the direction of Visiting Assistant Professor Thomas Lloyd, the Hamilton College Choir prepared an impressive choral repertoire for their 1996 spring tour. This year's program contained a wide range of musical styles from English Renaissance to contemporary African music. The choir's performance of *Egbe Enye Dzidzo Nkeke* and *Dumedefo* was the first performance of these pieces outside of Ghana. The choir also performed works by Felix Mendelssohn, Samuel Barber and others. The College Hill Singers, a chamber vocal ensemble composed of fifteen choir members, performed two vocal jazz arrangements and two ballads by Benjamin Britten.

The 1996 spring tour began with a performance at The University School in Cleveland, Ohio. Other stops on the tour were Indianapolis, Indiana; Northfield, Illinois; Cincinnati, Ohio; Buffalo, New York; and Toronto, Ontario. The choir brought its music back to Hamilton for the Homecoming concert at the end of March.

The Hamilton College and Community Oratorio Society, a choral group composed of Hamilton students and residents of surrounding communities, was also directed by Thomas Lloyd. Their fall performance featured a collection of great opera choruses. The program included Bizet's *March of the Toreadors* from *Carmen*, Mussorgsky's *Coronation March* from *Boris Gudunov*, as well as choruses by Verdi, Copland, Beethoven, and others.

For their spring concert, the Oratorio Society performed Carl Orff's *Carmina Burana* and Igor Stravinsky's *Symphony of Psalms*. In an unusually large turnout, over 150 singers participated in the performance of these popular twentieth-century pieces.

Under the leadership of senior captains, Meg Jones and Wendy Phillips the women beat for the first time in the senior's collegiate careers St. Lawrence 4-3. Improving throughout the season the Continentals learned to play to their potential. Coach Melissa Hart loses five strong seniors this season, but returns with many strong and talented players. Coach Hart assures fans we will be surprised next fall.

"We had a rough start to our season, but through hard work, a lot of heart, and commitment, we started to play well, together as a team. We had an incredibly fun season despite our rocky start, and we wish the Hamilton women's soccer team the best in seasons to come. Yeah blue!"

The men's soccer team finished 7-5-2 this season after coming off an incredible 1994 season. The Continentals turned the season around with a barnstorming of Utica with a score of 9-0 and yet another outstanding shut out against SUNY-Utica with a score of 6-0. The team also scrapped their way to a 0-0 tie against Elmira, which was ranked second in the state at the time. Senior Baran Tekkora was the team's leading scorer with 18 points and two hat-tricks this season. Sophomore goalie Mike Heffernen posted three straight shut outs. Both Tekkora and Heffernan were named player of the week. It was fitting that junior Marc Campbell scored the winning and final goal of the season after recovering from a near fatal injury last season.

Hamilton has lost a number of key players, but Coach Manford Von Schiller expects a bright future for Continental soccer.

"This year was really special because there were ten seniors on the team and there was a lot of comradery among us and close friendships. This created a really enjoyable season."

The women's cross-country team finished the 1995 season undefeated in dual meets with a record of 7-0. This record qualified the team for the NCAA Division III Championships for the first time in Hamilton College's cross-country history. Senior Cathy Michels took first place as the Continentals shut out Hartwick and Union. Michels was named New York State Runner of the Week. The team has lost five seniors, but Coach Ellen Hull is confident that the underclassmen will finish successfully once again in the fall season.

The men's cross-country team started off its season with two losses but then went on to close the season strongly by outrunning five of its last six opponents. The team made it to the NESCAC Championships and finished in the middle of the pack. Junior Tom Capo earned a selection to the All NESCAC team for his efforts. The Continentals should have a competitive 1996 season.

" We were really excited to go to the Nationals. It was the first time in Hamilton's history that we made it. Nationals was great because it was such a high energy competition."

The 1995 Field Hockey team finished the 1995 season successfully. It was a season of many obstacles. Inconsistency plagued the team as their outstanding 6-1 start was followed by four losses. This bad luck did not last through the whole season, though. For the first time in four years, the team had a winning percentage. They also earned a bid to the NYSWCAA Championships for the first time in four years.

Senior captain Karen Werkhoven and junior captain Judy Whitaker held many conference, state and regional honors, while first year Susan Glah was Conference Rookie of the Year for a week. Coach Betsy Bruce is optimistic about the 1996 season.

"The most exciting part of the season was our 6-1 start. We were nationally ranked in one of the season polls. Although the end of our season was disappointing, we did qualify for the state tournament for the first time in four years."

The 1995 Football team finished their season with a 5-3 record. Despite losing to Tufts, junior quarterback Dan DeBlois completed 15 of 31 passes for 207 yards and two touchdowns to junior Ben Johnson during the game. Among some other outstanding players was running back Scott Milleisen, who in this particular game rushed 89 yards on 19 carries, caught three passes for 32 yards and scored one touchdown. DeBlois was ECAC Offensive Player of the Week for three weeks and Milleisen for one. Their efforts were rewarded with Honor Roll awards as well. Both DeBlois and Milleisen made the NESCAC All-Stars.

With the loss of only five seniors this year, there is cause for excitement in 1996! Coach Steve Frank looks for offense and defense only to increase for the 1996 season.

"With senior class representation one-fourth the size of the next smallest class, our underclassmen stepped up to fulfill leadership roles. In doing so, they enabled this year's senior Continentals to close their college football careers with a successful season; a season highlighted by our win against Colby, our second consecutive Rocking Chair Classic and four victories of our last five games."

She and captain Jane Taylor led the team to a victory over William Smith. This was a first time win against William Smith for Coach Kelley McElroy.

The 1996 team will be young again, but good recruits will add to the team. Coach McElroy looks forward to another successful season next year.

"The team's goal was to make it to the states. We did that and we had two players ranked #1 in their division. That was a big highlight for us. Our season was full of peak performances for many players. Many individual goals were set and met. Overall it was a successful tennis season."

Hamilton's 1995 golf team finished the fall season with a 49-46-1 record. At the start of the season, the biggest obstacle that the team had to face was lack of experience. They improved throughout the season and in the end ranked fifth in the NCAA District I division. Senior captain Jonathan Cooper and junior captains Mike Saber and Jim Gillies led the team to some close finishes. The team almost upset second ranked Skidmore in the UCAA Championships. Saber was an all district NESCACA and UCAA champion while first year Jonathan Cornwell was a UCAA Rookie of the Year.

Coach Bob Simon says the outlook for the 1996 season is excellent because the team will not be losing any starters.

The women's basketball team went to the New York State Tournament this season for the first time in three years. The women won four of their first six games but ended the season with a record of 11-14. Freshman Jen Moran led the team with a whopping 347 points in the season. Junior Kristin Pabis took the boards for the season with a combined total of 223 rebounds. Injuries took their toll on the team as they finished the last five games with no success. However, their performance in the first part of the season won them a bid to the State Tournament. There they lost to the #1 team, St. John Fisher.

Dispite the season's disappointing ending the future looks bright for the Continentals. With the return of Moran, Pabis and others the 1997-98 season looks hopeful for the women.

The Hamilton men's basketball team had an impressive season finishing with a record of 16-9. The 1995-96 season was a good season that started off right. In the season opener the men easily beat Hobart 90-75 and senior Joe Mrozienski scored his 1,000th career point. Mrozienski went on to score another 421 points in the season and to lead the team in all statistics of the game. Freshman Michael Schantz had an outstanding season as well, following close behind Mrozienski throughout the whole season. The second time Hamilton met and defeated Hobart, Coach Tom Murphy won his 450th game. Their success this season led the team to its second consecutive trip to the NCAA Tournament.

The team will suffer greatly with the loss of seniors Mrozienski, Scott Pace and Al Lewis. However, the next few years look very promising with returning starters.

She won the 55 and 200 meter races against Union. Rensselaer was the first team to stop the Continental's winning streak, but Reichart set a school record in the 45-meter dash with a time of 6.37 seconds. Her leader, senior Tami Koch qualified for the ECAC and state meets by winning the 1,000 meter run. Teammate, Tiffany Cappell, edged Reichart out of the 55 and 200 meter later on in the season. At the state meet Chappell was the top qualifier in the 200-meter with a time of 27.62.

The women will miss the leadership and individual performance of senior captain Tami Koch. However, the team looks froward to another great season in 1996-97 as the team returns almost the entire squad.

The 1996 Hamilton Hockey team had an excellent season, posting a record good enough to place them in the ECAC playoffs. The year began with a tie to Bowdoin in the annual Citrus bowl, and then for the rest of the season the team bounced back and forth between wins and losses.

However, at the end of the year the team found themselves battling the Camels of Conn College in the first round of the ECAC playoffs. The Conts were lucky to make the playoffs this year since the NESCAC prohibits a team to participate in both the ECAC tournament and the NCAA Division III tournmanent. Thus Middlebury, Colby, and Bowdoin bowed out in hopes of a bid to the NCAA tournament. In the playoff against Conn College, the Conts emerged victorious with a strong score of 9-3. The team now faces #1 Salem State in Massachusetts.

Through twenty-five games, the Conts outscored their opponents by an awesome margin of 128 to 85. In addition, goalies Kendall Brook and Joe Mucha had allowed only 2.81 and 3.23 goals per game, respectively. Brook played in thirteen games.

The1996 baseball team completed a 10-18 season with its share of truly outstanding performances. The season began with a Spring Break trip to Cocoa Beach, FL. The 4-6 record for the trip was highlighted by a 4-3 victory over Brockport State, a perennially tough opponent. The rest of the season followed with a five -game and three-game losing streak, but also a one, three -game victory streak. These wins included a doubleheader sweep of Rochester and a thrilling 8-7 victory over Albany in extra innings.

The year also saw Matt Klumpp, a sophmore, as the only Continental player named to the Upstate Collegiate Athletic Association (UCAA) All-Star team. In addition, sophomore Sean Fay set a Hamilton record with eight doubles, breaking the old mark of seven set by Bob Carey in 1980. Seniors Aaron Simon and Jason Tagliaferri also had stellar years at the plate, leading the team with 13 and 12 RBI, respectively.

Continental fans are hopeful for the 1997 season. Only three seniors (Aaron Simon, Jason Tagliaferri, and John Kowalczik), will be graduating, and the return of two rising juniors, along with numerous freshmen and sophomores, should make for a young and extremely exciting team.

The 1996 women's lacrosse team had an excellent season, only to have their championship hopes toppled in the first round in an exasperating match against Cortland.

Although the season began with a loss to Williams, the team soon "turned the tables" and won six of their next seven games, even embarking on a four-game winning streak. As they continued their success throughout the rest of the year, the team found themselves in the midst of a playoff berth. The team had lost to Cortland at the end of the season, and half-way into the playoff game against the same team the Conts found themselves down 11-5. However, emerging from the lockerroom, the team exploded on the field and managed to tie the game at 12 apiece with four minutes left. However, one final goal was able to squeak by goaltender Melissa Hyner, and an emotional second-half run by the Conts ended on a sad note.

Although they will lose three of their top players (seniors Becky Egan, Karen Weber, and Steph Hedges), the women's lacrosse team still finds themselves stocked with excellent players for the next season. And once again the team plans to drive to the playoffs in '97, emerging this time with a victory.

The 1996 men's lacrosse team struggled through a tough season this year, and ended with a 3-9 record. The team seemed destined for a great season with their first win over Cabrini College. However, the team then lost their next five games, many of them, though, in close, tight matches. This put a slight damper on the team's season hopes. However, they soon rebounded with a win over Skidmore, but then ended the year losing four of their last five games.

The team was led by sophomores Tommy White and Bob Hawkanson, who combined to score a total of 29 goals and 11 assists for the Continental team. In addition, goaltender Jud Henderson, defensive specialist Harry Taylor, and team-leading scorer White were all named to the second team UCAA All-Star team.

With six seniors graduating this year, the team will have to recruit highly from the underclassmen. However, with White and Hawkanson still on the squad , the men's lacrosse team once again looks to the future with high hopes.

The InterSociety Council is the student governing body for all private societies at Hamilton College. We are made up of representatives from the eight fraternities and the three sororities at Hamilton. Our purpose is to promote and support the academic and philanthropic goals of the college. The InterSociety Council porvides a unique and complementary educational experience for the development of skills in leadership, friendship, scholarship, and community service.

INTERVARSITY CHRISTIAN FELLOWSHIP

Associated with the national organization, the InterVarsity Christian Fellowship's goal include bringing all Christians on campus together to strengthen relationships with Christ, and spreading knowledge of who Christ is to the entire campus. The Fellowship consists of people from many different Christian denominations working together in the unity that Christ provides us. We strive to overcome Christian stereotypes, and to share God's love with the entire campus.

ISLAMIC CULTURAL ASSOCIATION & THE MIDDLE EAST UNION

These two organziations combined are dedicated to providing support to Muslim students on campus and at the same time educating the community about Islamic and Middle Eastern cultures. In Fall '95, the Middle Eastern Union organized a cultural event called Arabian Night which showcased Arabic music, dance, and food. It was well attended by students and Utica-Syracuse residents. In Spring '96, the Islamic Cultural Association distributed leaflets, greeting cards, and sweets to the members of the community on the fasting month of Ramadan and the Eid festival.

LAVANGUARDIA

LaVangurdia was co-founded twelve years ago by two Hamilton alumni, Larry Arias and Daniel Garcia. The initial goal of LaVangurdia was to redirect attention to issues concerning Latinos on the Hill. The purpose of the organization was, and still is, to serve as a space of support for students of Latino backgrounds. Also, LaVanguardia serves as a political organization that comprehends and deals with issues affecting Latinos within and outside of the Hamilton community. Since its existence, LaVangurdia has proven its service to the Latino community on and off the Hill.

MARTIAL ARTS/ JUDO CLUB

NATIVE AMERICAN STUDIES & STUDENTS ASSOCIATION

NASSA is a student-run organization comprised of a broad spectrum of members from the Hamilton community working together to promote acceptance of Native American culture. All cultures are welcome as NASSA members. Given the unique history of the college's founding in 1794 as the Hamilton-Onieda Academy for the co-education of Iroquois and non-native students, NASSA is dedicated to seeing this multicultural educational experience continue and flourish. It is also dedicated to incorporating Native American traditions back into the Hamilton College community.

NEWMAN COUNCIL

The Newman Community provides an environment in wich the Roman Catholic members of the Hamilton College community may practice and grow in their faith. During the fall semester, the Council organized Trust Treat, an annual Halloween activity for Utica children. In addition, Newman Council ran a fundraiser to aid in the efforts to renovate a Catholic church in Vietnam.

PANORAMA

Panorama is Hamilton's own public access channel, the brainchild of first-year David Gaynes. His small crew of reporters and producers created the show and aired it Thursday nights, in the middle of NBC's Must See TV. Although the show's reputation started out slow, increased participation and better technology, along with high visibility around campus, made Panorama the newest, and one of the most popular, media sources here at Hamilton.

PENTAGON

Pentagon is comprised of five seniors who work together in addressing issues facing the Hamilton community. Through yearly projects, we attempt to bridge the gaps between the student body, the administration, and the faculty. The '95-'96 pentagon organized the creation and execution of Hamilton's first exterior mural.

PEER ADVISING

Peer advising strives to promote positive personal development, education, and constructive community norms. Student volunteers learn about a variety of pertinent issues facing college students today through weekly training sessions (these issues include stress and time management, self-esteem, appreciating difference, relationships, eating disorders, alcohol, and other substance use/abuse, etc.). In turn, Peer Advisors educate fellow students about these issues through a variety of avenues including workshops, speakers, films, Awareness weeks and informal 1:1 interactions.

PHI BETA CHI

Founded in 1986, Phi Beta Chi became the second sorority at Hamilton. Phi Beta Chi has eighty seven sisters, making us the largest society on campus. Due to individual backgrounds and large membership, the sorority is a very diverse group of women representing a wide spectrum of views and interests. Phi Beta Chi fosters individuality amongst its memers while promoting a strong sense of friendship and unity. The group participates in extensive philanthropic work in our community. Past and present projects include Big Brother/Big Sister participation, Girl Scouts, Blood drives, and other HAVOC activities.

PSI UPSILON

THE RAINBOW ALLIANCE

Formerly known as GLBSA, The Rainbow Alliance provides mutual support for lesbian, bisexual, gay, transgendered, and transsexual members of the Hamilton community. We attempt to act as an avenue of expression for any community member, queer or straight, who wishes to become more vocal and educated about issues affecting sexuality and gender identity. The Rainbow Alliance sposors campus-wide parties, open houses, movies, and open mikes. Lectures and workshops are selected to educate the college community and encourage greater sensitivity to the needs of gay, lesbian, bisexul, transgendered, and transexual people on the Hill.

REPUBLICAN CLUB

We were proud to continue to publish the Alexander's Review, which consists of a selection of articles and cartoons, with a republican slant, relating to different events of the day. As the Republican Presidential Primary season rolled around we met on elction nights in the Little Pub to follow the returns from various states as they came in. Lively political discussions always extended meetings into the night. A lunch with Congressman Sherwood Boehlert offered members an opportunity to speak with a locally elected GOP official, who offered insight into the evnets taking placce in Washington, as well as how we might play a role in aiding the party.

THE RESIDENTIAL LIFE COMMITTEE

The Residential Life Committee serves as an advisory board to the director of Residential Life, Rebecca Reed Kantrowitz. Together, our members have experience living in a wide variety of residential options. We have had a busy two semesters this year. In the fall, we travelled around the campus, visiting all of the new living options that resulted from the Residential Life Decision. We used the information from our visits, plus many stimulating conversations during weekly meetings, to plan and implement the blocking lottery, the special interest lotteries, and the general lottery in the spring.

ROOT JESSUP PUBLIC AFFAIRS COUNCIL

Root-Jessup has always been proud to bring some of the finest speakers to the Hill. This year was no exception. In the fall, the members treated the community to three leactures. The first, which was co-sponsored with the Sociology department, was given by Nathan McCall, the author of the book, Makes Me Wanna Holler. He was followed by speeches from Robert F. Kennedy Jr., and Mara Liasson. In the spring, political issues were on the agenda beginning with a partnership with the Conservative Club to bring Ralph Reed to campus. He was followed by Christina Hoff Sommers and Ralph Nader.

HAMILTON COLLEGE RUGBY FOOTBAL CLUB

This year was a rebuilding season for Men's Blue Rugby as the team graduated eight starting seniors last spring. Captained by Brian "Huck" Touhey and Matt "Spoons" Hayden, with President Will Warren, the Blues finished third in Conference this fall. Hopefully, this season will serve as a honing stone for the ruggers with a more promising spring and future to come. On Parent's weekend, HCRFC put on quite a show for their last game. In the middle of a raging downpour and mud-laden field the boys demonstrated their potential by outscoring St. John Fisher College by a whopping 38-5.

HAMILTON WOMEN'S RUGBY CLUB

Hamilton Women's Rugby is a sport that has grown stronger and more popular over the past yee club attracts a large number of serious athletes who are very dedicated to the sport of rugby. Sisterfriends is an opportunity for women of color to enhance thier knowledge of women writers of color, education on how to function in patriarchal society, and the empowerment of self.

HAMILTON SNOWBOARDING CLUB

The Hamilton Snowboarding Club (HSC) was founded in Fall 1993 by Tim Anderson '96, Gavin Mlinar '96, and Peter Soule '96. Since then the club has served the entire campus in promoting the world's fastest growing winter sport. The club's main goal is to open Hamilton and the surrounding community to the sport of snowboarding by easing the access to lessons, equipment, and supplies. Since snow- boarding is now included in the 1998 Winter Olympics to be held in Japan, we feel everyone should be able enjoy the sport as much as the members do.

SPECIAL K

Special K, Hamilton's female a cappela group, is a close harmony singing group comprised of seven to ten women. Special K began at Kirkland College in the 1970s and strives to carry on its legacy. The group combines both traditional a cappella tunes such as Boogie Woogie Bugle Boy and Lollipop with more modern and unusual songs from artists like Melissa Etheridge, Indigo Girls, and the Cure. Along with joint performances with the Hamiltones and the Buffers, Special K also travels and performs with other college groups around the New England Area.

STUDENT ASSEMBLY

Student Assembly, Hamilton college's student governing body, serves as an executive legislative branch. The Assembly's role is twofold: to represent the needs and desires of the student body to the members of the faculty, administration, and trustees; and to provide leadership in student activites.

THE STUDENT MEDIA BOARD

The Campus Media Board, previously known as the Publications Board, oversees Hamilton College's ten publications. These completely sudent run publications range from The Wag, Hamilton's humor magazine, to Panorama-Life on the Hill, which is a television show on public access all about life at Hamilton. This diverse range of publications offers students with varied interests and talents different mediums to present thier work and talent. The Media Board has the responsibility of ensuring that all of these publications maintain high standards of taste and content for the student body to enjoy.

VOICES

Formerly called *Ekthesy*, Hamilton's nonfiction magazine, *Voices*, solicits articles and expository prose from students, faculty members, alumni/ae, and visiting speakers. It challenges the fiction that essays are not creative writing. Published once a year, *Voices* comes out in the spring.

General
Colin L. Powell

April 1, 1996

Retired U.S. Army General Colin L. Powell, former Chairman of the Joint Chiefs of Staff under Presidents George Bush and Bill Clinton presented the inaugural address in the recently established "Great Names Series" at Hamilton college on April 1, 1996. General Powell, having served his country for over 30 years in both military and governmental capacities, now tours the country delivering speeches to various groups and communities. He recently completed his memoirs, titled *My American Journey*, which were published by Random House in September, 1995. Powell's lecture, titled "The Management of Crisis and Change" focused on patriotism and the necessity of strong family values in today's society. General Colin L. Powell received a great response from his audience of over 3,500 people, and his inauguration of the Great Name Series at Hamilton will not soon be forgotten.

"General Powell is one of the few people in American life who has crystallized the hopes and dreams of a generation of Americans."

Editor's Page

Amy, Ann, Bob, Buzz, Dyan, Emily, Emma, Josie, Miki, Stephanie, Theresa, and Vanda -

I thought about writing a more personalized thank-you to each of you-one which would highlight our funny times (including the ones that weren't so funny at the time) but I convinced myself that none of us have forgotten those times yet! So instead I will write a general thank-you-one I which I wish to send out to each of you and hope it shows you how much your time and efforts were appreciated.

Thank you so much for all your hard work! You were all easy to work with and I hope you had as much fun as I did! In all my years things have never gone this smoothly. In fact, I am glad there isn't another book because I fear things couldn't go this well again.

I wish you all the best in the future-with both the yearbook and all your other endeavors. May they all turn out as successful (and maybe a little bit more?)! I'll miss you all a lot, but please know I'll never forget you!

Love,
Jennifer

To the new Editor-in-Chief,

Good Luck next year-please don't hate me! I am always here for you if you need someone to complain to. Always remember-you're more than capable of doing a great job and I am sure you will!

-The former Editor-in-Chief

Advisor's Note:

The completion of this yearbook would not have been possible without the extra effort and assistance from Buzz Carobus, 1997 Editor-in-Chief, and Bob Carper, Jostens Yearbook Representative. Thanks guys!

Fondly,
Beverly Low
